The Editor-in-Chief has decided to retract this entry from the Handbook of Mobile Learning and Teaching (DOI 10.1007/978-3-642-41981-2). Upon investigation carried out according to the Committee on Publication Ethics guidelines, it has been found that substantial parts were duplicated from the following entry:

Patten, K.P., and M.A. Harris. 2013. The need to address mobile device security in the higher education IT curriculum. *Journal of Information Systems Education* 24(1):41–52.
